69	<p>CONSIDER status of, and options for, <b>Federal Advocacy Lobbyist Team Procurement.</b></p> <p><u><b>Najarian Antonovich Motion</b></u></p> <p>In July 2009, the MTA procurement staff prepared a draft Board report to recommend an award for the <b>Federal Advocacy</b> contract. For a variety of reasons, this Board Report was never submitted to the Board for its review and consideration. In the alternative, a "Rube Goldberg-esque" Board evaluation process was subsequently retrofitted into the process that led to a failure of the Board to arrive at a Federal Advocacy team selection.</p>	<p>APPROVED Fasana Motion to expeditiously move forward with a new procurement within three months and report back next month with status.</p>	Y	AB	A	Y	Y	A	Y	Y	Y	AB	N	A	Y

69	Consequently, in the most recent federal actions on New Starts and Small Starts, it has become painfully apparent that the MTA is suffering from a lack of a full complement of lobbyists. Given that an array of other major funding decisions and opportunities appear to be on the near and intermediate term funding horizon in Washington, DC, it is ever more imperative that we act quickly rather than leisurely to make a decision regarding this contract.
