Metro's Business Interruption Fund

Metro's Business Interruption Fund & Business Solution Center 2024 Small Business Report

- Metro continues to provide support to small businesses impacted by transit rail construction through our innovative small business programs – the Business Interruption Fund (BIF) and the Business Solution Center (BSC).
- Both programs launched in 2015 and have been instrumental in helping small businesses sustain and continue to thrive in communities as Metro builds for the future.
- In recognition of more than nine (9) years of ongoing small business support, Metro released the third edition of the Small Business Report highlighting the BIF and BSC.
- The impacts of the programs are best summarized by the small business owners featured in the report.
- To learn about the unprecedented level of support these programs have brought to business communities impacted by Metro transit rail construction, please visit our website at Metro.net/BIF to read the 2024 Small Business report in [English](#) and [Spanish](#).
