

We're bringing you a better bus experience.

FLORENCE AV BUS PRIORITY LANES Fact Sheet

Overview

Metro has a plan to make it easier to get around LA. Bus service is the backbone of the public transit system, which is why the NextGen Bus Plan reimagined the bus system to focus on providing fast, frequent, reliable and accessible service. A key element in implementing this plan is the use of bus priority lanes. A bus priority lane gives buses dedicated space to travel separately from vehicles.

These lanes improve bus speeds by up to 15%, allowing buses to run more frequently, increasing reliability. We can enhance mobility by moving more people within existing infrastructure.

Project Description

The Florence Av Bus Priority Lanes Project is an important step toward building a safer and faster multimodal transit network in Los Angeles.

Located along a 5.4-mile segment of Florence Av, between West Bl and the Florence Metro Rail Station, the project will add bus priority lanes in both directions for Metro Line 111 during weekday peak hours from 7–9am and 4–7pm.

How It Works

- > Converts the curbside lane in each direction into a bus priority and right turn only lane on weekdays during peak hours from 7–9am and 4–7pm

- > Buses will be planned to run every seven to eight minutes during bus lane hours
- > Two general traffic lanes and left turn lanes will be maintained in each direction
- > The weekday No Parking restriction for the unincorporated LA County portion of the project, from Central Av to the Florence Metro Rail Station, will be updated from the existing 6–8am and 4–6pm to align with the City of LA No Parking restriction hours of 7–9am and 4–7pm

Benefits

- > Improves speed, frequency and reliability of bus service on the corridor
- > Improves safety of crossing streets and walking to nearby bus stops
- > Improves connections to the A, C, E, K, and J Lines, as well as the major north-south corridors, such as Crenshaw Bl, Western Av, Vermont Av, Broadway and Avalon Bl
- > Maintains existing midday, weekend and overnight parking for residents, businesses and visitors to the area
- > Provides quick and easy access to jobs, schools, businesses and other key locations along the corridor

FLORENCE AV BUS PRIORITY LANES

The bus priority lanes would be in service on weekdays in each direction from 7–9am and 4–7pm.
 Los carriles de prioridad para autobuses estarían en servicio entre semana en cada dirección de 7–9am y 4–7pm.
