Fed up with traffic?

Worried about smog and global warming?

Wondering what you can do to help?

Let's Talk

Contact the Metro Speakers Bureau

We'll be happy to provide free presentations throughout Los Angeles County on a variety of transportation topics:

- > Solutions for air pollution and traffic congestion
- > New ridesharing options such as carpools and vanpools
- > The latest advances in transit technology in rail and bus services
- > The changing face of Los Angeles due to new transit oriented development

Metro will answer your questions on:

- > Why mobility is the linchpin of the economy
- > How we're dealing with congestion before it stifles economic growth
- > The ways Metro is improving air quality

Metro wears several hats:

- > We are the largest public transit operator in Los Angeles County carrying 1.4 million bus and rail passengers on average weekdays
- > We are a major construction agency for new transportation projects
- > We act as the lead transportation agency in planning and programming the county's mobility agenda

There are three easy ways to schedule a Metro presentation:

- > Fill out the attached form and fax to 213.922.7575 or mail to:

Metro Speaks,
One Gateway Plaza,
Mail Stop 99-19-8,
Los Angeles, CA 90012.

- > Go online at metro.net/speakersbureau and fill out the request form.
