

I-405 Sepulveda Pass Widening Project

OPEN HOUSE

The Community Advisory Committee met with project staff and the Design Build Contractor to provide feedback on various aesthetic elements. Based on the feedback, the Contractor has incorporated the comments and will be presenting the final design and showing material samples and visuals for the following elements:

- Sound Walls
- Retaining Walls
- Undercrossing Bridges
- Overcrossing Bridges (Mulholland, Sunset, and Skirball)
- Landscape

While there will be no formal presentation, please feel free to drop by. The Contractor will be available to answer any questions.

Date: Wednesday, January 20, 2010

Time: 3:00pm to 7:00pm

Location: Westwood Recreation Center
1350 Sepulveda Blvd.
Los Angeles, CA 90025

Please contact Community Relations at (213) 922-3665 or via email I405@metro.net if you have any questions.
