

Notice of Night Work Activity

ATTENTION COMMUTERS, RESIDENTS, AND BUSINESSES IN THE VICINITY OF SEPULVEDA BLVD. BETWEEN MONTANA AVE. AND SUNSET BLVD.

As part of the I-405 Sepulveda Pass Widening Project and in preparation for the relocation of Sepulveda Blvd. to the east, the Contractor in conjunction with LADWP will relocate the overhead power lines on Sepulveda Blvd. between Montana Ave. and Sunset Blvd. This activity requires street lane closures for conduit trenching and placement of DWP vaults.

What: Under-grounding of DWP overhead electrical lines

When: Work is anticipated to start on Monday, March 1, 2010 for approximately 8 weeks, weather permitting. Anticipated work hours are from 9:00am to 3:00pm and 9:00pm to 6:00am. Saturday work is anticipated between the hours of 8:00am and 6:00pm.

Where: Northbound Sepulveda Blvd. between Montana Ave. and Sunset Blvd. and intersection closures will be implemented as followed for 1 week at each location:

- Work is anticipated to start on March 22nd at Sepulveda Blvd and Homedale St.
- Work is anticipated to start on March 22nd at Sepulveda Blvd and alleyway (south of Bronwood Ave).
- Work is anticipated to start on March 29th Sepulveda Blvd and Bronwood Ave

What to expect:

- Temporary reconfiguration of traffic lanes (re-striping) and concrete rail placement will occur prior to the under-grounding of utilities.
- Traffic detours signs will be placed to direct vehicles around the closed intersections.
- During construction hours northbound Sepulveda traffic will be detoured to eastbound Montana Ave., northbound Veteran Ave., to westbound Sunset Blvd., to Sepulveda Way and back to Sepulveda Blvd.
- Daytime construction activities will consist of trenching operations and trench backfilling.
- Night construction operations will consist of conduit installation, trench backfilling, and paving.
- Bus stop for lines 2 and 302 at Homedale and Sepulveda will be temporarily relocated during construction.
- Local access to residences will be maintained.
- Pedestrians will be rerouted to a safe area outside the construction zone.
- Emergency vehicle access will be maintained.

To request further information through an assistive listening device, please call 1.800.252.9040.

Please note that construction is a dynamic process and subject to change without notice.

Thank you for your patience and cooperation.
