

Notice of Night Work Activity

ATTENTION COMMUTERS, RESIDENTS, AND BUSINESSES IN THE VICINITY OF THE SAN DIEGO FREEWAY (I-405) BETWEEN THE SANTA MONICA FREEWAY (I-10) AND THE VENTURA FREEWAY (US-101)

As part of the pre-construction activities for the I-405 Sepulveda Pass Widening Project, the Contractor will perform grinding and saw-cutting work on the right-hand shoulder of the I-405 freeway between the I-10 and US-101 freeways. This night-time work activity is designed to shave and level out the highway road pavement as part of construction for the I-405 Sepulveda Pass Widening Project.

- What:** Freeway lane and ramp closures to perform saw-cutting and grinding work activity.
- When:** Night-time work activities for the two right freeway lane and ramp closures on the northbound and southbound I-405 freeway will continue and is anticipated to last for approximately three more weeks, weather permitting. Lane and ramp closures will be from 10:00pm to 6:00am, with the freeway open to thru traffic.
- Where:** San Diego Freeway (I-405) between the Santa Monica Freeway (I-10) and the Ventura Freeway (US-101). Saw-cutting and grinding work activities will be conducted in segments along the I-405 freeway. Freeway segments for the upcoming weeks are scheduled as follows:

Freeway Segments	Anticipated Dates of Work Activity	Duration
Northbound I-405, Getty Center Drive to Skirball	March 5, 8, and 9	3 Nights
Northbound I-405, Skirball to Ventura Blvd.	March 10, 11, and 12	3 Nights

What to expect:

- Ramp and lane closures will be coordinated with Caltrans. Detour signs will be posted where ramp closures occur.
- There will be the same number of thru traffic lanes as there are currently at the completion of this activity.
- The saw-cut and grind work activity is being conducted in addition to the on-going full freeway closures and lane re-striping work activities on the I-405. For information regarding freeway lane re-striping work and the corresponding full freeway closures, please visit www.metro.net/i-405.
