**Where:** Northbound Sepulveda Blvd. between Montana Ave. and Sunset Blvd. and intersection closures will be implemented as followed for approximately 5 days at each location:

- Work is anticipated to start on March 29<sup>th</sup> at Sepulveda Blvd and Homedale St.
- Work is anticipated to start on March 31<sup>st</sup> at Sepulveda Blvd and alleyway (south of Bronwood Ave).
- Work is anticipated to start on April 2<sup>nd</sup> at Sepulveda Blvd and Bronwood Ave.

**What to expect:**

- Temporary reconfiguration of traffic lanes (re-striping) and concrete rail placement will occur starting on March 17, 2010.
- Traffic detours signs will be placed to direct vehicles around the closed intersections.
- During construction hours northbound Sepulveda traffic will be detoured to eastbound Montana Ave., northbound Veteran Ave., to westbound Sunset Blvd., to Sepulveda Way and back to Sepulveda Blvd.
- Daytime construction activities will consist of trenching operations and trench backfilling.
- Night construction operations will consist of conduit installation, trench backfilling, and paving.
- Westbound bus lines 2/302 will be temporarily detoured at Montana Ave. and Sepulveda Blvd. and it will continue via Montana Ave. to Church Ln, to Sunset Blvd. back to regular route.
- Local access to residences will be maintained.
- Pedestrians will be rerouted to a safe area outside the construction zone.
- Emergency vehicle access will be maintained.

Please note that construction is a dynamic process and subject to change without notice.
