

# Notice of Full Street Closure

---

## **ATTENTION COMMUTERS, RESIDENTS AND BUSINESSES IN THE VICINITY OF SEPULVEDA BL BETWEEN MONTANA AV AND CHURCH LN/OVADA PL**

The bridge falsework installation that started on Monday, December 5, 2011 as been extended an additional week. Full nightly closure of Sepulveda Bl between Montana Av and Church Ln/Ovada Pl will continue through December 23, 2011.

**What:** Full street closure for bridge falsework installation

**When:** Full night time closures are anticipated that started on Monday, December 5, 2011 will continue through December 23, 2011. Work hours and closure times are from 9pm to 6am, weather permitting.

**Where:** Sepulveda Bl between Montana Av and Church Ln/Ovada Pl

### **What to Expect:**

- Falsework is a temporary structure used to support structures in order to hold the component in place until construction is sufficiently advanced to support itself.
- SB Sepulveda Bl traffic will be detoured to SB Church Ln, to EB Montana Av, back to Sepulveda Bl.
- NB Sepulveda Bl traffic will be detoured to WB Montana Av, to NB Church Ln, back to Sepulveda Bl.
- Work is weather permitting and subject to change.
- Access will be maintained to emergency responders.
- Access to local residents will be maintained.
