

Notice of Night Work Activity

ATTENTION RESIDENTS AND BUSINESS OWNERS IN THE VICINITY OF MONTANA AV AND SEPULVEDA BL

The contractor will replace the storm drain line and remove and replace catch basins at the northwest and southwest corners of Sepulveda Bl and Montana Av. This activity requires the full closure of the Montana Av undercrossing.

What: Nightly full street closure for storm drain and catch basin work

When: Work is anticipated to start on Thursday, January 26, 2012 through Friday, February 17, 2012. Anticipated work hours are from 9pm to 6am, weather permitting.

Where: Montana Av between Sepulveda Bl and Church Ln

What to expect:

- Nightly closures of the Montana Av undercrossing will take place. The intersection will reopen daily.
- Access to residents and businesses will be maintained via detour route.
- Detour: EB Montana Av traffic will be detoured to NB Church Ln, to SB Sepulveda Bl, back to Montana Av.
- Detour: WB Montana Av traffic will be detoured to NB Sepulveda Bl, to SB Church Ln back to Montana Av.
- Sepulveda Bl traffic may be maintained with one lane in each direction during work hours.
- The Montana off ramp may be closed intermittently; closures may start as early as 7pm and will be coordinated with Caltrans.
- Pedestrians will be rerouted to a safe area outside the construction zone.
- Emergency vehicle access will be maintained.
- Work is weather permitting and subject to change.

To request further information through an assistive listening device, please call 1.800.252.9040.

Please note that construction is a dynamic process and subject to change without notice.

Thank you for your patience and cooperation.
