

Notice of Night Construction

As part of the Los Angeles County Congestion Reduction Demonstration Program along the I-110 and I-10 freeways, Metro's Contractor is continuing with the installation of conduit as a means of providing power at numerous locations. This work must be performed in order to place the conduit underground. Upon completion of the installation of the conduit, each trench will be back filled, and returned to pre-existing conditions.

WHAT: Trench excavation and Conduit Installation

WHEN: Starting Wednesday, November 23, 2011 for an intermittent duration of two months. Work hours scheduled approximately between 9:00 p.m. – 6:00 a.m., and possibly day work between 8:00 a.m. to 4:00 p.m., Monday – Friday, weather permitting

WHERE: In the vicinity of 3532 Temple City Blvd., Rosemead

WHAT TO EXPECT:

- Intermittent lane closures for the installation of conduit.
- One lane for thru traffic will remain open in each direction at all times.
- Flaggers and traffic control signs will be placed during the construction activity.
- Pedestrian access will be maintained at all times.
- Open trenches will be plated at the end of the workday.
- Access will be maintained for the Fire Department and emergency responders at all times.
- Parking restrictions will be implemented in the immediate area of the construction zone.
- Accessibility to homes and businesses will be maintained.
