ATTENTION PARKING PATRONS

The Metro Orange Line Extension Project will extend four miles from the Metro Orange Line Canoga Station to the Metrolink Chatsworth Station. This dedicated busway will offer improvements to north-south mobility in the western San Fernando Valley. The construction of the Metro Orange Line Extension will offer faster travel time, improved bus connections, and provide better access to destination throughout Los Angeles County. Anticipated project completion is summer 2012.

To do this work, Metro recently built a new parking lot at the north end of the Metrolink Chatsworth Station. The Contractor will utilize portion of the south parking lot as a construction staging area to store construction equipment and to perform construction work.

What: Construction Staging Area and Construction work.

When: Beginning at 6:00 a.m. on Monday, March 22, 2010 through the end of construction summer 2012, a portion of the south parking lot will be used as a staging area by the Metro Orange Line Extension Contractor.

Where: Chatsworth Metrolink/Amtrak Station – South parking lot.

What to expect:

- Parking will be restricted at the South parking lot. Metrolink/Amtrak patrons please park in the north parking lot.
- Access to pedestrians will be maintained outside the construction zone.
- Access to emergency responders will be maintained.
