ATTENTION RESIDENTS AND BUSINESS OWNERS IN THE VICINITY OF LASSEN STREET BETWEEN OWENSMOUTH AVENUE AND CANOGA AVENUE

Metro's Contractor will excavate boring pits to facilitate the undergrounding of the utilities on Lassen Street between the Owensmouth Avenue and Canoga Avenue. This activity will require the reconfiguration of traffic to one lane in each direction on Lassen Street and the placement of concrete barriers (k-rail) to isolate the work zone.

WHAT: Excavation of boring pits

WHEN: Beginning on Tuesday, July 20, 2010 the street will be reconfigured in support of these activities and will last approximately two months. The anticipated work hours are from 7:00 a.m. to 4:30 p.m., Monday through Friday, weather permitting.

WHERE: Lassen Street between Owensmouth Avenue and Canoga Avenue

WHAT TO EXPECT:

- K-rail will be placed in both directions of Lassen Street on the outside lanes.
- One lane of traffic will be maintained for each direction on Lassen Street.
- Parking will be restricted on both sides of Lassen Street between Owensmouth Avenue and Canoga Avenue; no parking signs will be posted.
- Access will be maintained for businesses and residents at all times.
- Access to pedestrians will be maintained outside of the construction zone.
- Fire Department and emergency vehicle access will be maintained at all times.
- This activity will be followed by the placement of k-rail on the inside lanes in both directions. This activity is projected to begin the last week of September and will take approximately one month.
