

# Metro School Pool School Enrollment Form

---

Yes, our school wants to participate in Metro School Pool to reduce traffic and improve safety around our school.

Metro can assist you in developing a School Pool Directory as well as give you ideas and tools to market and implement the School Pool program at your school. Metro can also provide interested families with matchlists. Just complete this enrollment form, select option 1 or option 2 and return it to Metro Commute Services via fax or mail. We look forward to assisting your school in any way we can. Thank you.
