

# Guarantee a Ride Home

*What if I have to work late?*

*What if my child gets sick?*

***I'd rideshare, but...***

*What if I have a personal emergency?*

We're sure you've heard all the reasons why your employees can't rideshare. But sharing the ride is always easier and less stressful when employees know they can get home if something comes up.

Now, with Guaranteed Ride Home, you can offer your employees a ride home when they really need one. We guarantee it!

**Metro**<sup>™</sup>

# Guaranteed Ride Home

## Here's how the program works:

- > **Your company signs up for Guaranteed Ride Home.**
- > **Employees who share the ride to work get a rental car or taxi ride home in an emergency.\***
- > **Eligible employees get up to four rides in a 12-month period.**

If your company currently has a program, you can still sign up for Guaranteed Ride Home and supplement your company's with ours.

This easy-to-manage program is provided at no cost to employers in Los Angeles, Orange, Riverside and San Bernardino Counties.

**Contact Metro Commute Services at 213.922.2811, or visit [CommuterSmart.info](http://CommuterSmart.info) for more information.**

\*Valid emergencies include the unexpected illness of an eligible employee or a member of the employee's family, unscheduled overtime, missed connection with planned ride home. See the GRH Program Guidelines for complete program details.

This regional program is sponsored by Metro, Orange County Transportation Authority, Riverside County Transportation Commission and San Bernardino Associated Governments.
