- Local Agency Success Highlight
- Updates from Caltrans HQ
 - Implementation
 - Program Management
- Troubleshooting Forum
- Invoicing 101

Welcome

- Introductions
- Logistics
 - Sign-in sheet
 - Timing
 - All presentations and handouts will be made available after the workshop

Delivery Support Framework

- **Goals**

- Improve project delivery outcomes
- Maximize federal and state funding drawdown

- **Strategy**

- Quarterly workshops to provide:
 - Training
 - Coordination, direct help, and problem-solving
- Communication via:
 - Metro and Caltrans websites

Delivery Support Pilot

- **First round of workshops completed in April**
 - 5 workshops over 2 weeks
 - 89 local agency staff attended
- **Feedback received**
 - Information should be presented for a new and experience audience
 - Local agencies want to learn from each other
 - Access to Caltrans and Metro staff is valuable
