Caltrans District 7 Office of Local Assistance

HSIP

The background is a stylized illustration of a city street. It shows buildings on either side, green trees, and a grey road. A yellow highlighted area on the road shows a person riding a bicycle. The overall style is clean and modern.

- California- 3000 traffic fatalities per year
- 57% local roadways, 43% SHS
- Proactive vs. Reactive vs. Comprehensive
- Systemic vs. Spot location
- Local Roadway Safety Manual
- Online Training late May 2020
