

710 Task Force

Consensus Vision

Project Team New Consensus Proposal (June 23, 2022):

An equitable, shared I-710 South Corridor transportation system that provides safe, quality multimodal options for moving people and goods that will foster clean air (zero emissions), healthy and sustainable communities, and economic empowerment for all residents and communities in the corridor.

Consensus Goals

Guiding Principles

Equity Guiding Principle

The Task Force voted on June 13 to approve the Equity Guiding Principle as:

“A commitment to: (1) strive to rectify past harms; (2) provide fair and just access to opportunities; and 3) eliminate disparities in project processes, outcomes, and community results.”

“The plan seeks to elevate and engrain the principle of Equity across all goals, objectives, strategies, and actions through a framework of Procedural, Distributive, Structural, and Restorative Equity, and by prioritizing an accessible and representative participation process for communities most impacted by the I-710.”

Sustainability Guiding Principle

The Task Force voted on June 13 to approve the Sustainability Guiding Principle as:

"Development that meets the needs of the present without compromising the ability of future generations to meet their own needs."

"A commitment to sustainability to satisfy and improve basic social, health, and economic needs/conditions, both present and future, and the responsible use and stewardship of the environment, all while maintaining or improving the well-being of the environment on which life depends."
