

METRO 710 TASK FORCE PROJECT
MSPP PRINT SURVEY
August – October 2022

1. Based on your experience and on the needs of your community, what type of projects, programs, or improvements would you most like to see implemented within the I-710 Corridor? Please select only those choices that apply.

- Bicycle and Pedestrian Improvements
- Local Roadway Improvements
- Transit (Bus or Rail) Improvements
- Freeway Improvements that Do Not Add Capacity
- Community Programs (for example, Air Quality, Jobs)
- Traffic Management Improvements to Make Better Use of our Existing Roadways
- Travel Reduction Strategies to Reduce Vehicle Trips

2. Tell us more about the bicycle or pedestrian improvements you would like to see implemented within the I-710 Corridor? Please select all that apply.

- New bicycle lanes on existing roadways.
- New bicycle paths just for bicyclists and pedestrians.
- Wider sidewalks.
- Traffic controls and protections for bicyclists and pedestrians.
- Bicycle/pedestrian freeway and channel overcrossings/undercrossings.
- Better lighting, landscaping, and amenities (benches, bicycle parking).
- Bike share programs.

3. Tell us more about the local roadway improvements you would like to see implemented within the I-710 Corridor? Please select all that apply.

- Intersection improvements (for example, additional turn lanes) to reduce traffic queues at congested intersections.
- Roundabouts and traffic calming features to slow traffic on local streets.
- Medians, traffic islands, signing, and traffic management features to reduce turning conflicts for safety purposes.
- Water quality features, such as bioswales, to treat water runoff.
- Landscaping, hardscaping, public art, and aesthetic features.
- Better lighting, signing and traffic controls to protect non-motorized users of the roadway.
- Added roadway lanes to improve mobility on major arterials.
- More on- and off-street parking.

4. Tell us more about the transit improvements you would like to see implemented within the I-710 Corridor? Please select all that apply.

- New, additional bus routes.
- Improved bus and rail frequencies to reduce waiting times at bus stops and at train stations.
- Improved amenities (such as lighting, security cameras, shelters) at bus stops and at train stations.
- Bus priority lanes on local arterials to improve bus travel times and reliability.
- Increased transit fare discounts for low-income riders, students, and seniors.
- On demand transit shuttles (bus rides by appointment) in my community.
- New light rail line like Metro's Blue Line or Green Line.

5. Tell us more about the freeway improvements you would like to see implemented within the I-710 Corridor? Please select all that apply.

- Interchange improvements to make it safer and easier for vehicles to get on and off the freeway.
- Spot improvements to relieve congestion bottlenecks.
- Create a dedicated lane on the freeway just for zero emissions trucks.
- Traffic control features to protect non-motorized users at the freeway ramps.
- Landscaping, hardscaping, and aesthetic features along the freeway.
- Vegetation barriers along the freeway for air quality purposes.
- Higher soundwalls along the freeway to reduce noise.

6. Tell us more about the types of community program improvements you would like to see implemented within the I-710 Corridor? Please select all that apply.

- Program to reduce diesel trucks in favor of zero emissions trucks.
- Charging and fueling infrastructure to support use of zero emissions trucks.
- Community health benefit program (such as air filters for schools or vegetation buffers) to reduce the harmful effects of air pollution.
- Targeted local hire programs to increase the share of public dollars that is devoted to creation of local jobs in the communities.
- Rent stabilization policies and low-income rental assistance programs.
- Workforce education and development programs.
- Density bonus programs to incentivize affordable and mixed income housing production, development of local parks, and other community resources.

7. Tell us more about the traffic management improvements you would like to see implemented within the I-710 Corridor? Please select all that apply.

- Cameras and other vehicle detection devices to manage unexpected congestion due to traffic incidents.

- Traffic calming features (such as variable speed signs or speed bumps) to slow traffic on local streets or near schools.
- Medians, traffic islands, or turning prohibitions to discourage cut through traffic in neighborhoods.
- Traffic signal coordination projects on major arterial corridors to maximize green time based on actual traffic conditions.
- Traffic signal priority improvements on major bus routes to provide better travel times for buses.
- Variable message signs and incident response plans to redirect traffic around lane closures.
- Advanced technologies for timing and routing of trucks to reduce congestion and to minimize traffic impacts to local communities.
- Advanced technologies to provide better traveler information to drivers and to transit users.

8. Tell us more about the travel reduction strategies to reduce vehicle trips that you would like to see implemented within the I-710 Corridor? Please select all that apply.

- Incentives and programs to increase telecommuting.
- Incentives and programs to increase transit use.
- Parking restrictions, higher parking charges, and policies to encourage alternative modes of travel to the automobile.
- Provide transit passes to workers or students to encourage transit use.
- Carpool and van pool programs.
- Expansion of on-dock freight rail facilities to reduce truck trips associated with goods movement.
- Develop inland port/implement short haul freight rail service to reduce local truck trips in the Corridor.

9. What zip code do you live in? _____

10. What is your primary mode of transportation?

- Carpooling
- Biking

- Walking
- Rail
- Bus
- ParaTransit (Ex: Dial-A-Ride, Access Services, etc.)

11. What is your gender?

- Man
- Woman
- Non-binary/non-conforming
- Prefer not to respond

12. What is your age?

- Under 18
- 18-24
- 25-34
- 35-49
- 50-64
- 65 or older
- Prefer not to respond

13. What is your preferred language?

- English
- Spanish
- Khmer

- Tagalog
- Prefer not to respond
- Other (describe)

14. What is your race or ethnic identification?

- Native American
- Black/African American
- Latino/Hispanic
- Asian/Pacific Islander
- White/Caucasian
- Prefer not to respond
- Other (describe)

15. Please provide your name and email or phone number if you would like to be entered into the drawing for a chance to win a \$25 gift card.

Name : _____

Email: _____

Phone: _____
