The I-710 South Corridor Community Leadership Committee (CLC) is being established by Metro to create a direct participation mechanism and a continuous channel of communication between residents of and workers in the impacted communities along the I-710 South Corridor and the 710 Task Force. The CLC will advise the 710 Task Force throughout its process on goals, proposals, and recommendations. The CLC will also “ground-truth” (verify) data and findings, advise on community engagement efforts and take an active role in supporting the 710 Task Force’s work to engage with a broad base of local community members.

Metro is seeking a diverse and committed group of community members representative of the I-710 South Corridor to participate in the CLC from March to December 2022 for approximately 4-6 hours per month.

[Click here](#) for more details regarding CLC member responsibilities, compensation, qualifications and selection process.

Please fill out this application if you're interested in being considered for the CLC and meet the requirements. There are 11 questions that will take approximately 5 minutes to complete.
