About StreetsLA

The Bureau of Street Services, also known as StreetsLA, is part of the Department of Public Works and responsible for preserving, protecting, maintaining, and renewing the City of Los Angeles' street network and urban forest. This includes our streets, sidewalks, bikeways, trees, and medians. The men and women of StreetsLA are committed to providing high-quality, efficient, and equitable services across our great city and communities. We strive to build our services around integration, innovation, and inclusion.
