

Welcome!

Rail to Rail (Segment A) Construction Update Meeting
January 2024

We're creating connections for walking and biking in South LA.

RAIL TO RAIL ACTIVE TRANSPORTATION CORRIDOR PROJECT

Let's Ride Safely Together

- Keeping riders safe is our number one priority and we're committed to providing you with a great experience on Metro.
- Visit metro.net/Safety for more information about our plan that reimagines the way we approach public safety, to ensure all our riders feel safe, comfortable, and welcome on our system.

Easy and
anonymous
way to connect
with Metro
Security
anytime

A person's hands are holding a smartphone. The phone screen displays the LA Metro Transit Watch app logo, which consists of a white circle with a black 'M' inside, set against a blue background with horizontal stripes. Below the logo, the text 'LA Metro Transit Watch' is displayed in black. The background of the phone screen shows a blurred image of a transit station.

LA Metro
Transit Watch

Free transit for students with GoPass!

Students at participating K-12 schools and community colleges ride for free on Metro and other transit agencies.

To find out if your district is participating, contact your school or visit metro.net/gopass.

- > Directional closures of Van Ness Av
- > **Stage 1:** Directional closure and detour of southbound Van Ness Av between Hyde Park Bl and Southwest Dr/62nd St. **Completed**
- > **Stage 2:** Directional closure and northbound Van Ness Av detour between Hyde Park and Southwest Dr/62nd St. **Implemented Jan 13.**

Work hours

- > Workdays from Monday to Saturday
- > The closure will be in place for the duration of the activity

Current: Compton Av Intersection Improvement

Contractor will begin the intersection improvement work

- > **When:** November 30, 2023
- > **Where:** Compton Av at Slauson
- > **Duration:** approximately four months

What to Expect

- > Directional closures of Compton Ave
- > Stage 1: South directional closure of Slauson Av will be reduced to one lane in each direction **Completed**
- > Stage 2: Northbound directional closure Slauson Av will be reduced to one lane in each direction. **Implemented January 11.**

Work hours

- > Workdays from Monday to Saturday
- > The closure will be in place for the duration of the activity

Current: Slauson Av West of Denker Av Intersection Improvement

Contractor will begin the intersection improvement work

- > **When:** November 4, 2023
- > **Where:** Slauson Av. West of Denker Av
- > **Duration:** approximately four months

What to Expect

- > Lane closures at Slauson Ave-West of Denker.
- > **Stage 1:** Eastbound and westbound lane reduction to one lane on Slauson Av between Western Av and Denker Av. **Completed**
- > **Stage 2:** Eastbound and westbound lane reduction to one lane on Slauson Av between Western Av and Denker Av. **Completed**
- > **Stage 3:** Eastbound and westbound lane reduction to one lane on Slauson Av between Western Av and Denker Av. **Implemented December 15, 2023**

Work hours

- > Workdays from Monday to Saturday
- > The closure will be in place for the duration of the activity

Current: Cimarron Av

Contractor will begin the intersection improvement work

- > **When: November 27, 2023**
- > **Where: Cimarron Av between north 62nd St.**
- > **Duration: 1 month (95% complete)**

What to Expect

- > Parking restrictions will be in place on both sides of Cimarron Av

Work hours

- > 7:00 am to 4:00 pm Monday – Friday
- > As needed to finish the work

Current: Haas Av

Contractor will begin the intersection improvement work

- > **When: November 27, 2023**
- > **Where: Haas Av between north 62nd St.**
- > **Duration: 1 month (90% complete)**

What to Expect

- > Parking restrictions will be in place on both sides of Haas Av

Work hours

- > 7:00 am to 4:00 pm Monday – Friday
- > As needed to finish the work

Current: Broadway Intersection Improvement

Contractor will begin the intersection improvement work

- > **When:** December 9, 2023
- > **Where:** Broadway at Slauson Av.
- > **Duration:** approximately five months

What to Expect

- > Lane closures at the intersection of Broadway and Slauson Av
- > **Stage 1:** Center lanes on Broadway north of Slauson Av will be closed. Lane reductions as needed to finish the work.
- > **Stage 2A:** Northeast and Northwest corners lane reductions on Broadway and Slauson Av. **Implemented December 15, 2023**
- > **Stage 2B:** Southeast and Southwest corners, lane reductions on Broadway and Slauson Av

Work hours

- > Workdays from Monday to Saturday
- > The closure will be in place for the duration of the activity

On the Horizon: Normandie Av Intersection Improvement

Contractor will begin the intersection improvement work

- > **When:** As early as February 3, 2024
- > **Where:** Normandie Av at Slauson Av.
- > **Duration:** approximately five months

What to Expect

- > **Stage 1A:** directional closure of northbound Normandie Av from Slauson Ave to 58th St.
- > **Stage 1B:** directional closure of northbound Normandie Av from 58th Pl to Slauson Av and Slauson Av to 58th St.
- > **Stage 2:** directional closure of southbound Normandie Av between 58th St and the alley just south of the intersection of Slauson Av and Normandie Av.

Work hours

- > Workdays from Monday to Saturday
- > The closure will be in place for the duration of the activity

On the Horizon: Slauson near Miramonte Bl Intersection Improvement

Contractor will begin the intersection improvement work

- > **When:** As early as late February 2024
- > **Where:** Slauson Av. Near Miramonte Bl
- > **Duration:** approximately two months

What to Expect

- > Lane reductions on eastbound and westbound Slauson Av near Miramonte Bl

Work hours

- > Workdays from Monday to Saturday
- > The closure will be in place for the duration of the activity

On the Horizon: Central Av Intersection Improvement

Contractor will begin the intersection improvement work

- > **When:** As early as April 22, 2024
- > **Where:** Central at Slauson Av.
- > **Duration:** approximately five months

What to Expect

- > **Stage 1:** Northbound directional closure of Central Av and lane reduction on westbound Slauson Av
- > **Stage 2:** Southbound directional closure of Central Av and lane reduction on westbound Slauson Av.

Work hours

- > Workdays from Monday to Saturday
- > The closure will be in place for the duration of the activity

Concurrent Intersection Proposal: Hoover and SB 110 Ramp

- > Implementation of two intersections at the same time
- > **Benefit:** reduces work duration from four months to two months
- > Proposed implementation sequence:
- > **Hoover St and Slauson Intersection**
 - **Hoover Stage 1:** Northbound directional closure of Hoover St at Slauson Av and lane reduction on westbound Slauson Av
 - **Hoover Stage 2:** Southbound directional closure of Hoover St at Slauson Av and lane reduction on westbound Slauson Av
- **SB 110 Ramp:** Southbound off ramp at Slauson Av reduced to one lane and lane reduction on westbound Slauson Av

Concurrent Intersection Proposal: Avalon and San Pedro

- > Implementation of two intersections at the same time
- > **Benefit:** reduces work duration from four months to three months

- > Proposed implementation sequence:
 - **Avalon Stage 1:** Northbound directional closure of Avalon at Slauson Av and lane reduction on westbound Slauson Av
 - **Avalon Stage 1B:** Southbound directional closure of Avalon at Slauson Av and lane reduction on westbound Slauson Av
 - **Avalon Stage 2:** Slauson Av reduced to a lane in each direction, Avalon south of Slauson reduced to a lane in each direction

 - **San Pedro Stage 1A:** Southbound directional closure of San Pedro Av at Slauson and lane reduction on westbound Slauson Av
 - **San Pedro Stage 1B:** Southbound directional closure of San Pedro Av, north of Slauson Av. Southbound San Pedro from Slauson reduced to one lane south of Slauson Av. Eastbound Slauson reduced to one lane at the intersection
 - **San Pedro Stage 2A:** Northbound directional closure of San Pedro Av at Slauson and lane reduction on westbound Slauson Av
 - **San Pedro Stage 2B:** Northbound directional closure of San Pedro Ave, north of Slauson Av. Northbound San Pedro south of Slauson reduced to one lane south of Slauson Av. Eastbound Slauson reduced to one lane east of the intersection
