Important Updates

August Combined TF and CLC In-Person Hybrid Meeting Part 1 – Monday, August 14th, 5-8pm

We look forward to meeting with you in person at next week's Combined Task Force & CLC In-Person Hybrid Meeting. Prior to the meeting, Task Force and CLC Members will enjoy dinner together. During the meeting, the Project Team will provide an overview presentation on the quantitative evaluation criteria and there will be an opportunity for Task Force, CLC, and members of the public to participate in roundtable discussions to further discuss the quantitative evaluation criteria.

We highly encourage you to attend this meeting in person, but there will also be a virtual option on Zoom. For more details, please see the meeting information below.

In preparation for this meeting, if you have questions about the modeling that was completed, please review the "Modeling and Evaluation Tools" presentation given at Task Force Meeting #18 found [here](#).

If you missed the July Combined Task Force and CLC Meetings where we reviewed the qualitative evaluation criteria, you can access meeting materials and the video recordings [here](#).

EPET Community History Input

During the June 29th meeting of the Equity Working Group (Meeting #13), the Project Team presented a [timeline of the LB-ELA community history](#) and invited Task Force and CLC members to share accounts from their personal and professional experiences to help inform the Community History section of the Equity Planning and Evaluation Tool (EPET) documentation and the LB-ELA Corridor Investment Plan.

The Project Team would like to give all Task Force and CLC members the opportunity to contribute to the Community History section, to ensure that it reflects the range of community experiences that shape the LB-ELA corridor area today. If you would like to add your perspective to the Community History documentation, please follow [this link](#) to respond to a short 3 question survey.

New Project Timeline and Schedule

Metro recently presented a new Project Timeline and Schedule [here](#), including meetings, office hours, and public engagement that will allow us to present a draft Investment Plan to the Metro Board of Directors by November 2023. For more information, please visit our Project Hub.
