## Important Updates

### Draft Qualitative Evaluation Criteria Matrix

In preparation for the upcoming Combined Task Force & CLC Meeting – Part 2 on Thursday, the project team has developed a Draft Qualitative Scoring Matrix that includes all available qualitative scores for each project. There is also an Evaluation Criteria Legend that defines each criterion that you can view an online version of these documents [here](#). CLC members will receive a mailed copy of the documents this week. If any Task Force members would like to receive a physical copy, please respond to this newsletter and include a preferred mailing address.

### ZET Working Group

We have decided not to schedule meetings for the ZET Working Group for July and August. We have several initiatives underway on which we will be working during this time, including a legislative program in support of the ZET Program.

We look forward to sharing our results in September when we reconvene the Working Group. In the meantime, please keep in touch with any questions or key updates. We will also send email updates to the Working Group during these months when necessary.

### New Project Timeline and Schedule

Metro recently presented a new Project Timeline and Schedule [here](#), including meetings, office hours, and public engagement that will allow us to present a draft Investment Plan to the Metro Board of Directors by November 2023. For more information, please visit our Project Hub.
