| Meeting | Date | Presentation(s)  | Presenter(s)  |
|---------|------|--|---|
|         |      |  | <p>Quintin Sumabat, Deputy Executive Officer, Vehicle Engineering and Acquisitions<br/>LA Metro</p>   |
|         |      | <p>"Regional Roadmap for Zero-Emission Vehicle Infrastructure"</p>                                 | <p>Alison Linder, Accelerated Electrification Team and Clean Technology Program<br/>Southern California Association of Governments</p>  |
|         |      | <p>Panel Discussion</p>  | <p>Moderator: Micah Wofford, Energy Commission Specialist, California Energy Commission<br/>Panelists: Sean Wilder, Energy and Environmental Services, LA County Internal Services Department</p> <p>Salim Youssefzadah, CEO, WattEV</p> <p>Quintin Sumabat, Deputy Executive Officer, Vehicle Engineering and Acquisitions, LA Metro</p> |
|         |      | <p>"2019 Electric Vehicle Charging Guidebook for Medium-Duty and Heavy-Duty Commercial Fleets"</p> | <p>Patrick Couch, SVP Gladstein, Neandross, and Associates</p>  |

**Metro**

| Meeting   | Date     | Presentation(s)   | Presenter(s)  |
|-----------|----------|---|---|
|           |          | "Electric Vehicle Charging Infrastructure for Southern California"                    | Carlo Bertani, Environment, Sustainability and Decarbonization<br>Maersk                    |
| ZETWG #11 | 10/18/22 | Raffi Hamparian, Senior Director of Federal Affairs/ Government Relations<br>LA Metro | "Federal Transportation Legislation-Inflation Reduction Act"                                |
|           |          | Akiko Yamagami, Transportation Planning Manager, Goods Movement Planning<br>LA Metro  | "Goods Movement Zero-Emission Infrastructure-MSRC Request for Information"                  |
| ZETWG#12  | 1/17/23  | "Truck Market Segmentation Volumes by Type"   | Keir Opie, Principal<br>Cambria Systematics   |
|           |          | "Potential Locations for MD HD Truck Charging Facilities"                             | Jack Symington, Senior Program Manager<br>Transportation<br>Los Angeles Cleantech Incubator |
|           |          | "Expeditious Deployment of Resources-State and Federal Grants"                        | California Transportation Commission<br>Kayla Giese, SB 671 Assessment Coordinator          |
|           |          | "ZET Program-Community Needs"   | Jack Symington, Senior Program Manager,<br>Transportation                                   |

**Metro**

| Meeting   | Date    | Presentation(s)  | Presenter(s)  |
|-----------|---------|--|---|
|           |         |  | Los Angeles Cleantech Incubator   |
| ZETWG #13 | 2/21/23 | "Metro's Sustainability and Transportation Electrification Policies"                                   | Cris Liban, Chief Sustainability Officer<br>LA Metro  |
| ZETWG #14 | 3/21/23 | "LACI's Community Project Funding Award for a Drayage Truck Charging Station"                          | Jack Symington, Senior Program Manager<br>LACI  |
|           |         | "Mobile Source Reduction Committee RFI Results"  | Akiko Yamagami, Transportation Planning Manager, Goods Movement Planning<br>Metro   |
|           |         | "First to Last Mile: Creating an Integrated Goods Movement Charging Network around the I-710 Corridor" | Jack Symington, Senior Program Manager<br>LACI  |
| ZETWG #15 | 4/25/23 | "Workforce Development in ZE Infrastructure Deployment"  | Dr. Tyler Reeb, Director of Research and Workforce Development<br>Center for International Trade and Transportation(CITT)<br>Cal State University of Long Beach (CSULB) |

**Metro**

| Meeting    | Date    | Presentation(s)   | Presenter(s)  |
|------------|---------|---|---|
| ZETWG # 16 | 5/23/23 | <p>Panel</p> <p>"Scaling Beyond Pilot Projects - Lessons Learned in Developing Charging/Fueling Infrastructure"</p> | <p>Panelists</p> <p>Seungbum Ha, Program Supervisor – Electric &amp; Hybrid Vehicles, South Coast Air Quality Management District</p> <p>Leela Rao, Environmental Specialist, Port of Long Beach</p> <p>Jacob Goldberg, Environmental Specialist, Port of Los Angeles</p>   |
|            |         | <p>Panel</p> <p>"ZET Program as a Catalyst for Workforce Development &amp; Job Training"</p>                        | <p>Panelists</p> <p>Dr. Tyler Reeb, Director of Research &amp; Workforce Development Center for International Trade and Transportation (CITT) Cal State University of Long Beach (CSULB)</p> <p>Jannet Malig, Statewide Director Advanced Transportation &amp; Logistics, Cerritos College; Co-Director, Long Beach Clean Cities</p> <p>John Frala, Professor Alternative Fuels Technology, Rio Hondo College; Clean Transportation Program</p> |
