GRAND AV AND OLIVE ST BUS PRIORITY LANES PROJECT

Tips to Safely Use the New Bus Priority Lanes

Metro and the City of LA have partnered to improve the speed, frequency, and reliability of buses along Grand Av and Olive St by adding a bus priority lane on southbound Grand Av, between Hope Pl and Pico Bl, and on northbound Olive St, between Pico Bl and 2nd St. The new bus priority lanes will operate on weekdays from 7am–7pm. The existing protected bike lanes will remain in place on both streets.

What is a bus priority lane?

A bus priority lane gives buses dedicated space to travel separately from vehicles. A separate lane allows buses to get riders to their destinations faster and more reliably. The bus priority lanes on Grand Av and Olive St will allow buses to run every minute on both corridors.

Who is allowed to use the lanes?

Bus priority lanes are for use by buses only during the stated hours of operation. Emergency vehicles, vehicles making right turns, and bicycles can use the bus priority lane when needed.

Will parking and loading/unloading* be allowed?

Yes, virtually all parking and loading/unloading will continue to be allowed in the curbside area next to the bus priority lanes. However, do not park, load, unload or drop off/pick up passengers in the bus priority lanes. Note that the bus priority lanes become regular travel lanes outside of the stated hours of operation (7am–7pm). *Refer to signage for restrictions.

Can I make right turns?

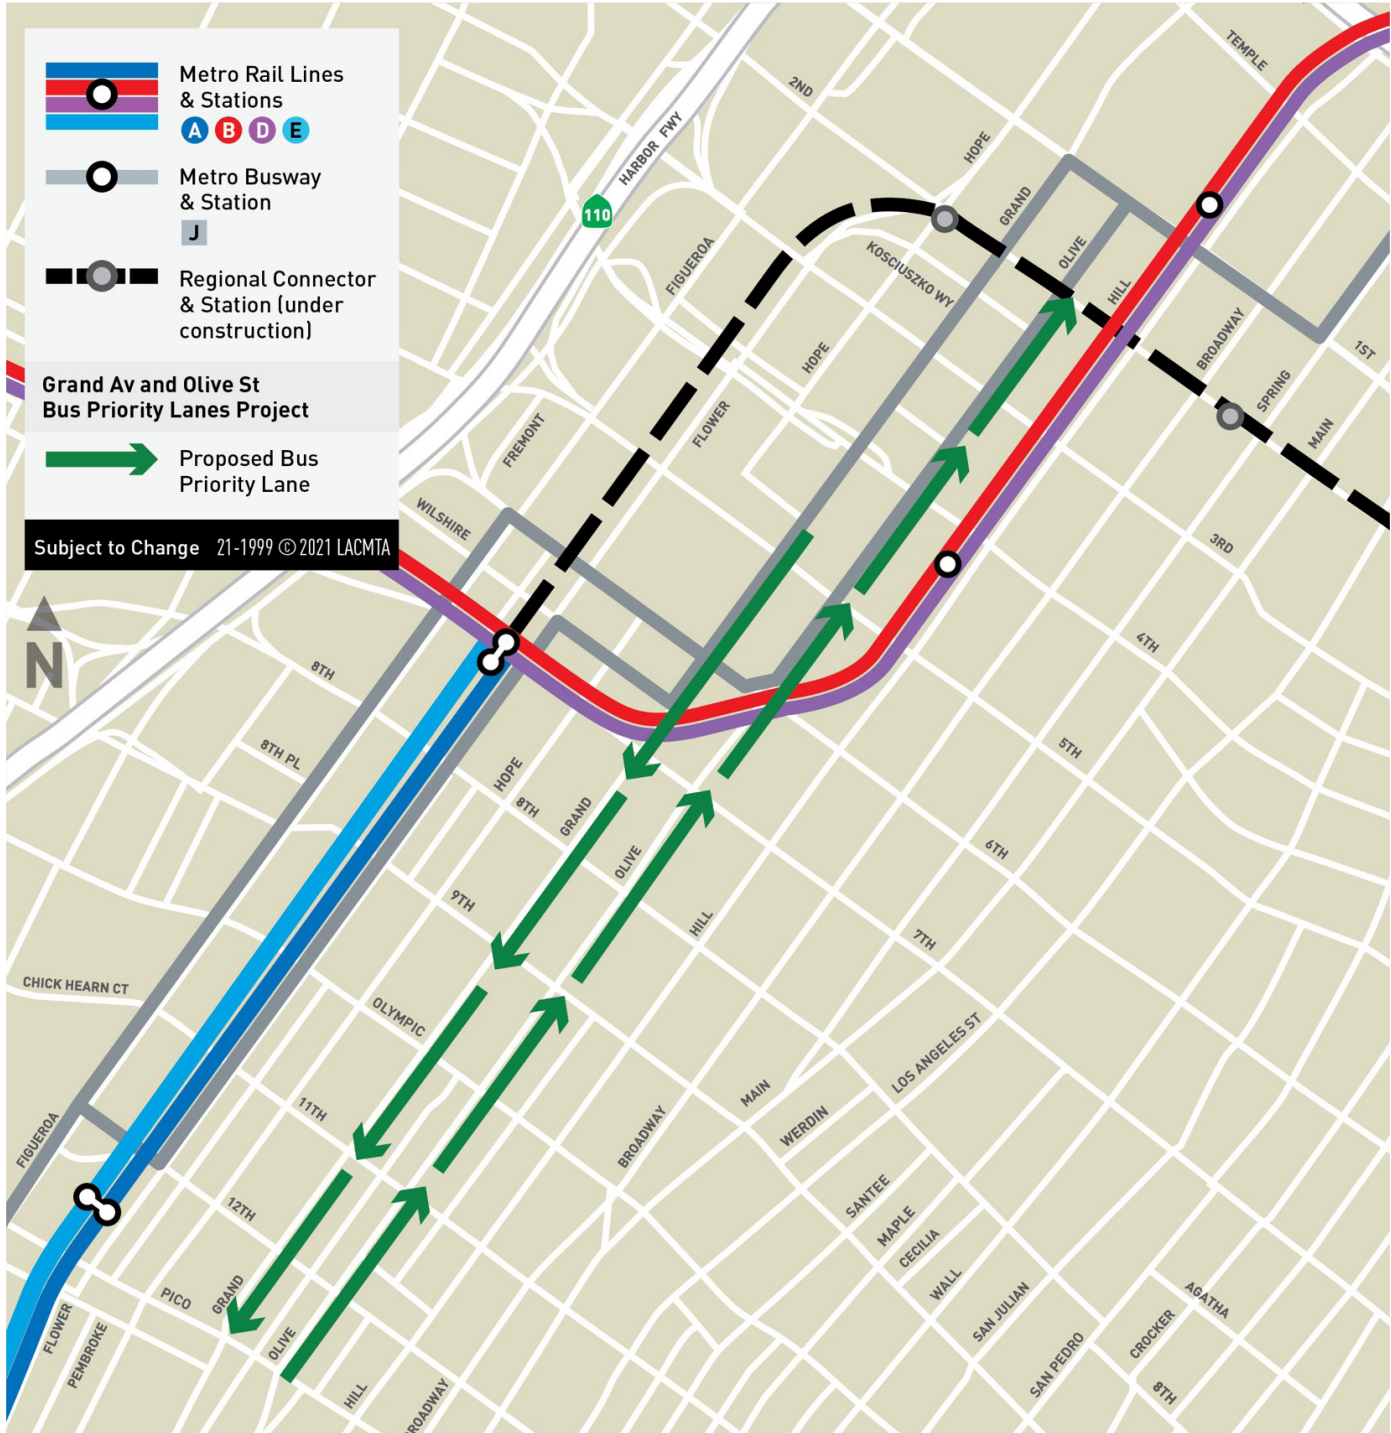

Vehicles are permitted to enter the bus priority lanes to make legal right turns at intersections and to enter/exit driveways.

Are there any changes to the sidewalks?

No, when crossing the street, obey all laws and look for oncoming traffic in the new bus priority lanes.
