

NORTH HOLLYWOOD TO PASADENA BUS RAPID TRANSIT PROJECT

Join us for an upcoming community meeting!

Metro has a plan to make it easier to get around LA, which includes better transit with Bus Rapid Transit (BRT) between the San Fernando and San Gabriel Valleys.

Project Overview

Construction is set to begin this year for the North Hollywood to Pasadena Bus Rapid Transit (BRT) Project. The new BRT will add 22 modern bus stations between NoHo and Pasadena, offering service that's faster, more frequent and more reliable than regular bus service.

The zero-emission BRT will connect North Hollywood, Burbank, Glendale, Eagle Rock and Pasadena using dedicated bus lanes and all-door boarding, improving access to jobs and key destinations — especially in an area without a premium transit service.

The project is in final design and preparing to begin construction in Pasadena in spring 2026.

You're invited to share feedback!

Metro invites you to attend any of six community meetings along the corridor to learn about the latest design updates, station locations and early construction details. We hope you'll join us.

All meetings will offer the same information. In-person meetings will be held in an open house format, allowing you to stop by at your convenience.

Spanish language interpretation and ADA accessibility will be provided. Other language services are available with 72 hours notice by calling 323.466.3876.

PROYECTO NG BUS RAPID TRANSIT (BRT) MULA NORTH HOLLYWOOD HANGGANG PASADENA

Inaanyayahan po namin kayo sa paparating na Community Meeting!

May plano ang Metro na gawing mas madali ang pagbiyahe sa Los Angeles, kabilang ang mas maayos na pampublikong transportasyon sa pamamagitan ng Bus Rapid Transit (BRT) sa pagitan ng San Fernando at San Gabriel Valleys.

Tungkol sa Proyekto

Ang North Hollywood to Pasadena BRT Project ay bahagi ng plano ng Metro para sa mas mabilis, maaasahan, at mas maginhawang pampublikong transportasyon. Magtatayo ito ng 22 bagong bus stations mula NoHo hanggang Pasadena—na may mas mabilis at mas regular na serbisyo kaysa sa karaniwang mga bus.

Ang proyektong ito ay zero-emission (walang polusyon) at mag-uugnay sa mga lungsod ng North Hollywood, Eagle Rock, Burbank, Glendale, at Pasadena sa pamamagitan ng mga eksklusibong linya ng bus. Mas magiging accessible ang mga trabaho at iba pang mahalagang destinasyon—lalo na sa mga lugar na kulang sa mahusay na public transit ngayon.

Ang proyekto ay nasa huling yugto ng disenyo at kasalukuyang naghahanda upang simulan ang konstruksiyon sa Pasadena sa tagsibol ng 2026.

Ibahagi ang Iyong Opinyon!

Inaanyayahan ka ng Metro na dumalo sa isa sa anim na Community Meetings para malaman ang mga update sa disenyo ng proyekto at magbigay ng opinyon sa Project Team. Sana ay makadalo kayo sa aming pagpupulong.

Pare-pareho ang impormasyon sa lahat ng mga pagpupulong. Ang mga in-person pagpupulong ay open house style—pwede kayong dumalo sa kahit anong oras sa loob ng nakatakdang schedule.

Magkakaroon ng language interpretation sa mga pagpupulong. Ang lahat ng Metro pagpupulong ay accessible para sa mga may kapansanan. Para sa iba pang ADA accommodations o translation, tumawag sa 323.466.3876 nang hindi bababa sa 72 oras bago ang pagpupulong.
