**Subject to change. Metro is working to deliver the project consistent with Measure M.*

Connecting LA to Key Cultural & Job Centers

West Los Angeles

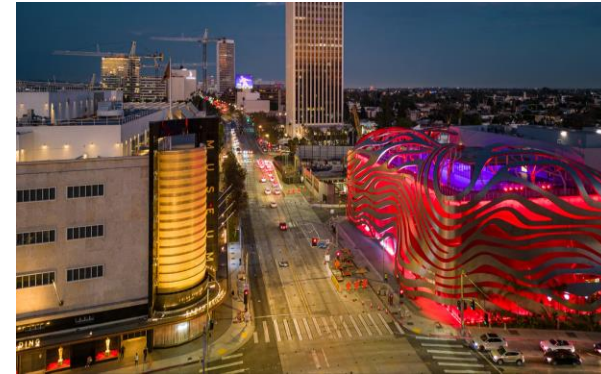

Century City

Beverly Hills

Museum Row

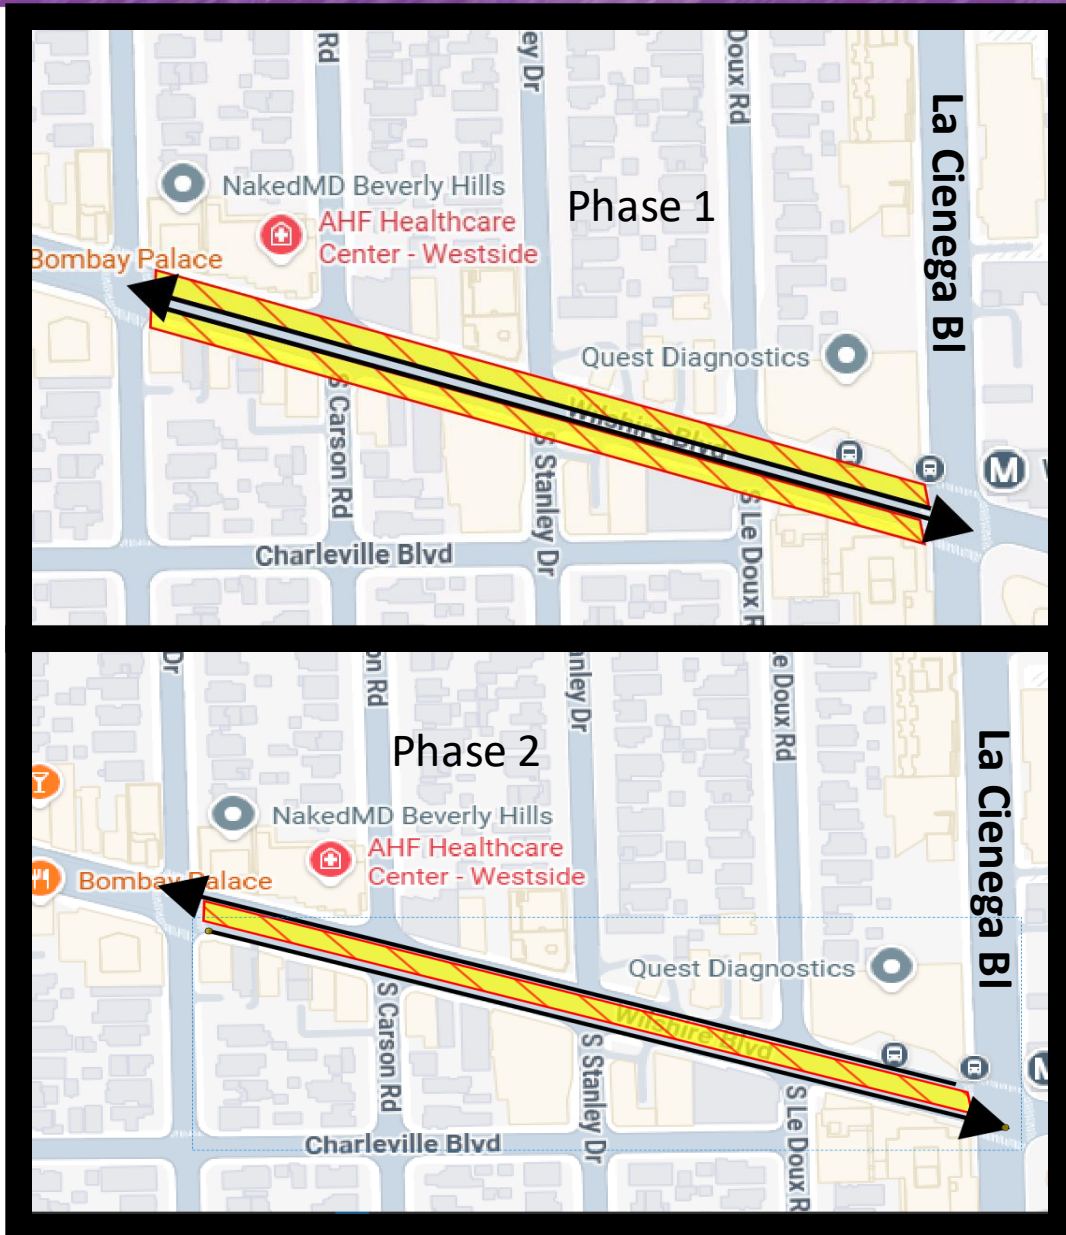

The Metro D Line Extension is a transformative investment that expands high-capacity, reliable transit to Los Angeles' Westside. Connecting Angelenos to one of the region's densest employment and cultural corridors.

Wilshire/La Cienega Station Rendering

Trainway
Looking West

Current Work: *Train Wall Art Preparation*

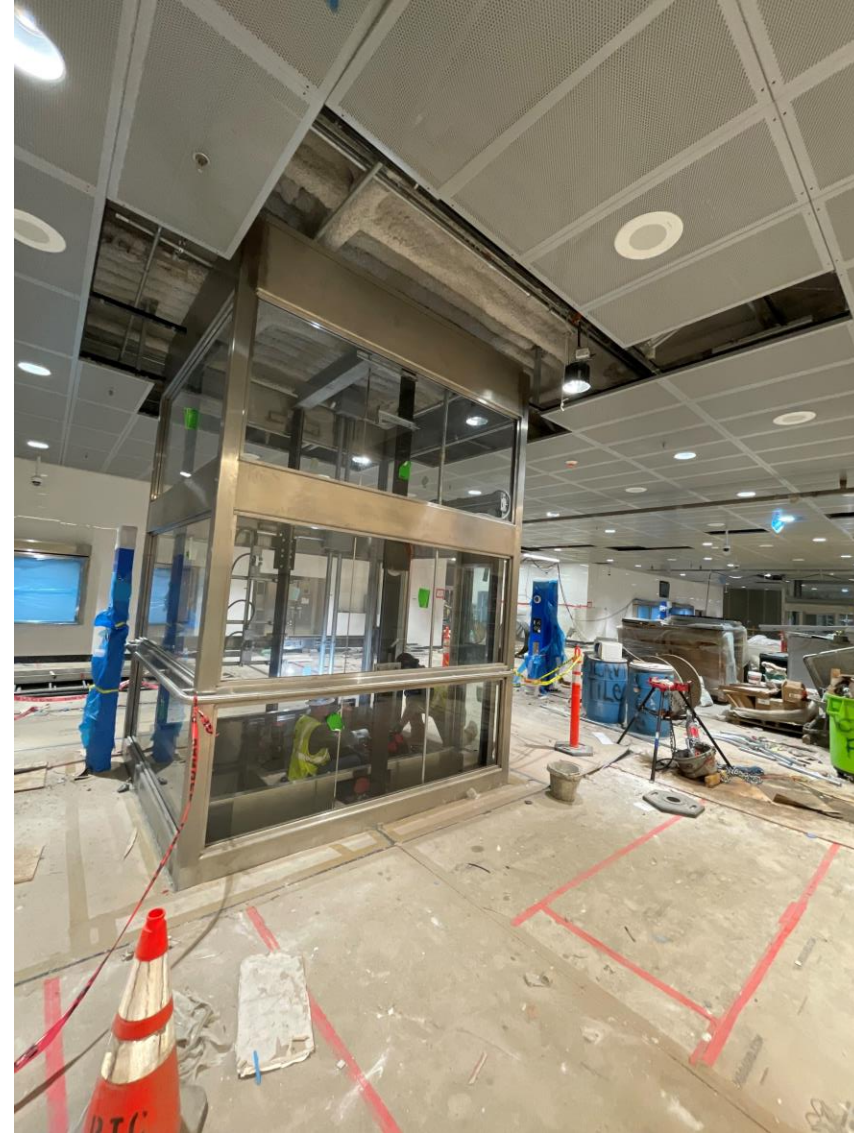

North Train Wall Art Preparation

South Train Wall Art Preparation

Current Work: *Elevator Progress*

Current Work: AKA Alley to Beverly Drive

The contractor has removed the trailers within the North Canon yard, constructed the curb, gutter, ramp and will perform additional restoration work activities on the north side of Wilshire Bl during the month of September.

Work Hours:

- Daytime Work Hours: 7am-4pm (Permitted noisy activities performed from 9am-4pm)
- Nighttime Work Hours: 8:15pm-7:00am

Traffic Controls

- Pedestrian access will be maintained during work activity.
- Any impacts on Wilshire Bl will be coordinated in advance with impacted stakeholders.

Current Work: Tree Planting Along Wilshire

The contractor will be performing tree installations along the North and South side of Wilshire between El Camino Dr and Crescent Dr during the month of September

Work Hours:

- Daytime Work Hours: 7am-4:30pm
- Noise-generating activities, including pavement breaking and removals, will begin at 9am during demolition work.

Traffic Controls

- There will be a temporary lane reduction during the offloading of the trees with flaggers to direct traffic.
- There will be temporary sidewalk closures during the installation of the trees. Pedestrian detours will be implemented, and wayfinding signage will be installed.

Metro Business Interruption Fund (BIF)

We're Helping Local Businesses As We Build
Metro Business Interruption Fund

Metro Business Interruption Fund (BIF)

The BIF currently provides financial assistance to small "mom and pop" businesses located along:

- **D Line Extension Sections 1, 2, & 3**
 - **With the opening of D Line Extension Section 1, grants will be awarded up to six months for impacts that occurred during construction activities.**
- **East San Fernando Valley Light Rail Transit Project**

Past BIF Eligible Projects include:

- **Crenshaw/LAX Transit Project****
- **Regional Connector Project, Little Tokyo area** & 2nd/Broadway Segment***

*BIF Eligibility ended June 2017.

**BIF Eligibility ended December 2023.

BIF Eligibility Requirements:

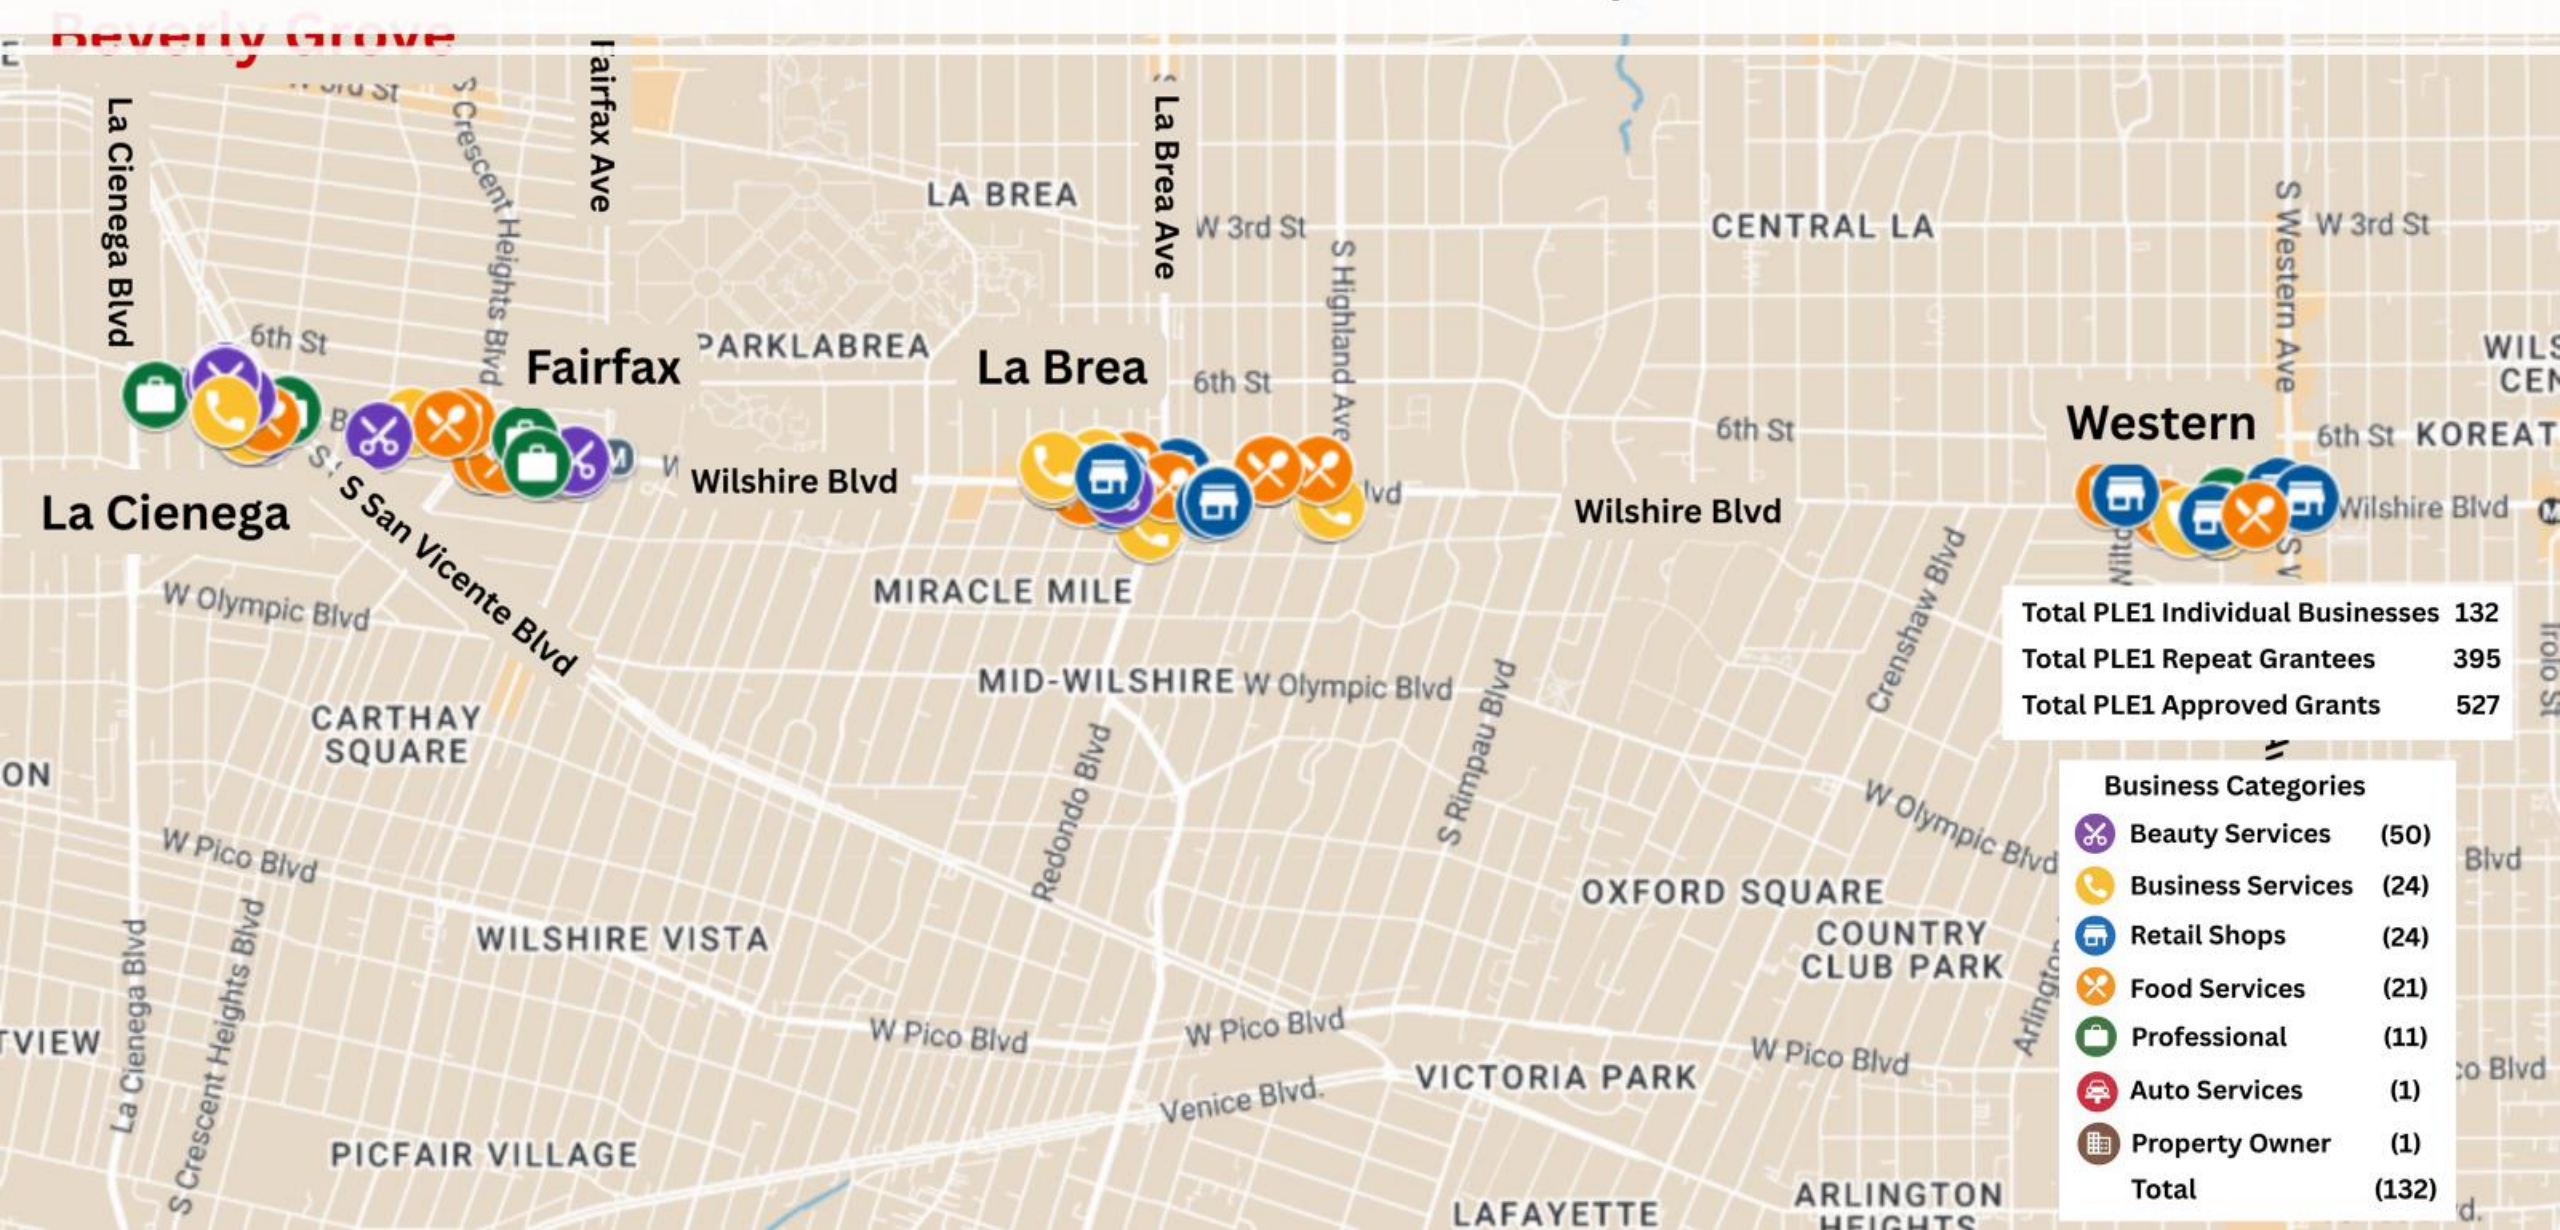

- **Businesses must be located immediately adjacent to the rail corridor for at least two years.**
- **Have 25 or fewer full-time employees.**
- **Other eligibility requirements as applicable.**

Grant amounts are determined by revenue loss directly related to the period of Metro construction disruption with a maximum of \$60,000 per impact year.
