OLYMPIC BL BUS PRIORITY LANES TRANSIT IMPROVEMENTS PROJECT

Metro has a plan to make it easier to get around LA.

Bus service is the backbone of the public transit system, which is why the NextGen Bus Plan reimagined the bus system to focus on providing fast, frequent, reliable and accessible service.

The Olympic Bl Bus Priority Lanes Transit Improvements Project will add bus priority lanes on Olympic Bl, from Robertson Bl to Figueroa St. This project will improve bus service for Metro Line 28 on weekdays during existing peak hours, generally from 7–10am and 3–7pm.

Join us at a virtual community meeting.
